FSEIS -Draft Response to Comments EPA review 9-19-16.xlsx

Hi Bernward,

I will send you a revised spreadsheet but right now I am trying to use the information you have sent and put it in to a final RTC for review. I have some responses from you that will require editing. Please edit the following information in the spreadsheet attached... thanks.. This RTC document will become the one we use.. NOTE: I did edit the responses in the text version of the document which we will discuss tomorrow

I will need more details on this particular topic.

I would prefer if you would add to this RTC document under comment number 19 and CCE comment number 25.
